

Programs Department

Job title: TB/EID Sputum Movement Consultants at TLMN Nigeria
Location: Nigeria Coordination Office (NCO), Abuja.
Responsible to: Head of Programs & Operations
Department: Program Department

Job Summary:

The TB/EID Sample movement consultant will support general Public Private Mix (PPM), community active TB case search as well as HIV early infant diagnosis implementation in the state with a special focus on sample referral to testing sites by sputum movers, as well as timely retrieval of results, and ensure adequate documentation and monitoring.

- **Locations:**
- Jigawa State
- Kebbi State
- Niger State
- Sokoto State
- Zamfara State

Duties and responsibilities:

- Collaborate with the State Program Officer to work with the State program in reviewing the existing molecular diagnostic sites (GeneXpert, Truenat, etc) mapping.
- Support the effectiveness and efficiency of sputum sample/EID referral in public and private state facilities to designated GeneXpert sites and reference laboratories.
- Conduct routine monitoring and supervisory visits to ensure the effectiveness of sample referrals in their respective states.
- Collate and submit monthly sputum shipment data per state to the state program officer.
- Review and submit verified Sputum/EID payment sheet monthly.
- Coordinate monthly harmonisation of data between the Linkage coordinators/CBOs and the Local Government Tuberculosis and Leprosy Supervisor (LGTBLS)
- Support demand creation for Tuberculosis (TB) services at the community level
- Write and share monthly narrative reports on sample shipments.
- Routine review and validation of sample shipment reports by the linkage coordinators for their respective states.

- Facilitate prompt resolutions of downtimes at any designated molecular diagnostic site and re-direct or re-distribute sputum samples to nearby sites for prompt testing.
- Conduct any other task as may be assigned.

Job Specifications:

- Education:
- HND or Bachelor's degree.
- A master's degree will be an added advantage.

Knowledge/Experience:

- 1-2 years relevant work experience with development agencies and foundations
- Experience in the TB program is an added advantage.
- Excellent communication and interpersonal skills; approachable and good listener.
- Exhibits a high level of accuracy in work and the ability to analyse complex sets of relationships and situations.
- Have a high sense of integrity and transparency.
- Ability to manage official information confidentially.
- Ability to multi-task and work well under pressure to meet deadlines.

Skills & Competencies:

- Analytical and problem-solving skills.
- Attention to detail and accuracy.
- Ability to work independently and collaboratively.
- Strong communication and interpersonal skills.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Proficiency in Hausa is an added advantage.

How to Apply:
